GET COMFORTABLE WITH YORKCARE PROTECTION

## How YorkCare™ Benefits You:

York® and your York dealer provide you with the lasting peace of mind that comes from the best extended protection plan in the industry. Here are just a few of the plan's excellent benefits:

- Provides up to 10 years of total coverage
- Offered directly from York and your York dealer
- Protects you against rising repair costs
- Can be transferred to a new owner if you sell your home
- Paid via a one-time payment

## Total Coverage with No Deductibles or Hidden Costs.

And the benefits of YorkCare coverage don't end there. You can also enjoy:

- No limit on the number of repairs
- No worry about the cost of regular business hour service calls
- Fast and easy access to service from the York dealer who sold you your system

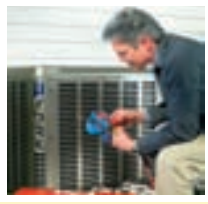

## Peace of Mind and Quality Comfort for Your Family.

You've chosen a high-efficiency York® system for your home. Now, you can expect to enjoy the comfort and quality that comes with the brand known for design and innovation. Your York system was built for years of reliable operation and comes with one of the most comprehensive limited warranties in the industry.

With just routine maintenance, your York system should run at top efficiency for years. And most York customers enjoy trouble-free performance. But even the best-designed and best-built equipment can sometimes break down. And when you consider the rising cost of repairs and the fact that most breakdowns occur when you least expect them, York wants to help keep you covered. That's why we offer our customers the YorkCare Comfort Plan—up to 10 years of quality, extended protection designed to keep your York system running efficiently without costly repair bills.

## Complete Peace of Mind for the Cost of a One-Time Service Call.

The initial investment is small—about the cost of most one-time service calls. And you have the choice of parts-only, labor-only, or parts-and-

labor coverage for up to ten years. And considering the full cost of replacing equipment or the cost of a major repair—YorkCare™ offers you outstanding value and peace of mind.

## Provided Directly from York® and Your York Dealer.

The YorkCare Comfort Plan is offered by York® and your York dealer. Which means:

- No third party is involved
- Timely repairs
- Fast access to service
- Total parts-and-labor coverage for up to 10 years!

Plus, with YorkCare protection, you get the added value of having a comfort plan that can be transferred to the new owner if you should ever sell your home during the term of the policy. So, YorkCare can actually add value to your home.

## Fast and Easy Access. Unlimited Repairs.

It's like having a zero-deductible healthcare plan for your home comfort system. No deductibles. No hidden costs. No limit to the number of repairs. And because you're contacting

the York dealer that sold you the equipment, you'll get quick access to the service you need.

## An Innovative and Comprehensive Extended Protection Plan.

### ■ Designed for Peace of Mind

Your family can rest comfortably knowing everything is taken care of for you.

### ■ One-Time Payment

YorkCare requires only one payment at the time of purchase.

There are no additional charges for covered items.

### ■ Avoid Costly Repairs

Repair costs are on the rise. A minor service call can cost over \$100, while major out-of-warranty repairs can run over \$1,000!

YorkCare protects you against these rising rates.

## Ensure Energy Savings and Efficiency with the Plan Designed for Complete Comfort.

The YorkCare Comfort Plan is designed to help keep your home comfort system running at peak performance—without

expensive repair costs. Protect your investment. Contact your York dealer and ask about the YorkCare Comfort Plan today.

It's time to get comfortable.®
